(Designation) Ag. Director of Public Instruction

To The Secretary to the Government of Madras,

LAW EDUCATION Department

Sir,

(M) I have the honour to invite your attention to G.C.No. 1917 Mis. Law Education, dated 23rd September 1930 regarding the construction of a building for the St. Aloysius College, Mangalore and to state as follows

The building, the construction of which was approved in the G.O. referred to above, provided for 3 class rooms - two rooms 24' x 18' each and the third 24' x 24'. The Principal of the college now states that there are more than 100 students in each of the 4 University classes who have taken up 'Kanarese' and that the rooms originally provided for are not adequate for holding the Kanarese class. He therefore requests permission to put up an upper storey ~~constructing~~ consisting of one

long hall 60' x 24'. It is proposed to utilise the hall for Kanarese classes and the rooms downstairs for other vernaculars such as sanskrit and Malayalam. The cost of constructing the two storeyed building is estimated by the correspondent at Rs 15700/-. The plans and estimates were referred to the Consulting Architect and as a result of certain alterations suggested by him the estimate has gone up to Rs 16150/-

The construction of the upper storey is necessary and I therefore recommend that Government may be pleased to approve the scheme at a cost of Rs-16150 in modification of G.O.1917 Mis: Law Education dated 25rd September 1930 so as to render it eligible for a grant of Rs 8075, if and when funds become available, provided the conditions of the Grant-in-Aid Code are duly fulfilled.

The revised plans and estimates are herewith submitted:

I have the honour to be,

Sir,
